Special Hunt Rules and Regulations

A group or organization that is interested in managing the implementation of an archery hunt on property within the jurisdiction and as a part of the City of Onalaska Urban Deer Management Program must demonstrate to the City that it meets the guidelines layed out by **Rule 19** in the Appendix C - General Rules (below).

Appendix C - Rule 19: A group or organization that is interested in managing the implementation of an archery hunt on property within the jurisdiction and as a part of the City of Onalaska Urban Deer Management Program must demonstrate to the City that it meets the following criteria:

- a. Must be registered as non-profit organization.
- b. May not discriminate on the basis of race, color, national origin, sex, religion, age, or disability in the admission or access to membership and the related activities.
- c. Have access to or arrangements with archery ranges already working with the city with the required proficiency testing.
- d. Hunters must have completed and have in possession all permits and testing as listed in line item #1 in this section. If guides or mentors are used in the field with individual hunters, said guide or mentor must have filled out a City of Onalaska Urban Deer application and also have passed the city's bowhunter exam.
- e. Provide orientation meeting for each hunt location in coordination with City and DNR staff to review special hunt provisions and site information.
- f. Provide a hunt coordinator for each hunt to check hunters or alternates and to ensure compliance with hunt provisions.
- g. Provide City with summary of hunt results within 72 hours of hunt completion. Results will include the number of participants, number of deer removed by participants by date, number of shots taken, number of deer wounded and not retrieved, documentation of any incidents with non-hunters or landowners, gender and age of deer, and any other information requested by the City and DNR staff.
- h. Starting in 2010, groups must notify the City by June 1 of interest to implement a deer management hunt within the City of Onalaska and provide verification that they can and will meet all of the above requirements.
