

STAFF REVIEW SUMMARY

CITY OF ONALASKA BOARD OF PUBLIC WORKS

July 1, 2018

Agenda Item: #4

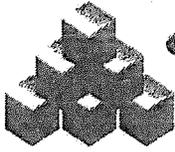

Project/Item Name: Sand Lake Road speed limit

Location: Sand Lake Road

Requested Action: Discussion on speed limit

Staff Report/Description: Traditional Trades has requested the speed limit along Sand Lake Road be lowered to 25 mph. The roadway was designed for a 45 mph speed limit with limited driveway access. The speed limit was lowered from 45 to 35 mph approximately ten years ago. If a speed limit change is desired a speed study should be performed and incorporated into a design report by a traffic engineer recommending a proposed speed limit.

Mayor Chilsen,

Chief Miller
Sergeant Berg

Over the last year, Sergeant Berg and I have been trying to keep the speeds down that people are traveling down Sand Lake Road from the round-about to Hwy S. I thank Sergeant Berg and the department for all the help and effort put forward on the problem. Even with all these efforts, there has been very little change if any.

I would ask that you put this subject on the agenda of the appropriate committee because of the amount of the traffic we now have and more in the near future. I am asking you to lower the speed limit from 35mph to 25 mph from the Sand Lake round-about to just north of Hwy S. This would bring this area in line with the Riders Club Road speed limit.

You helping in making this a safer area would be very much appreciated. Any questions please call me at (608) 783-4785.

Sincerely,

Dennis Aspenson,

July 30, 2018

To all our friends and neighbors of 1631 Sand Lake Road,

For safety reasons, I have requested the City of Onalaska lower the speed limit on Sand Lake Road from the round about at Rider's Club Road going north to County Highway S from 35mph to 25mph.

This topic is on the agenda to address the Board of Public Works Committee at the meeting August 7th, 2018.

If you support this speed limit reduction, please sign the "We Support" attached. Please note any person (18 years and older) may sign.

Thank you for the help and support!

Dennis Aspenson
