This Permit is valid only when properly receipted by the City Treasurer

- F. **Removal by City.** In addition to any other penalty imposed, if the owner or occupant of the premises adjoining any lawfully obstructed sidewalk shall remove or neglect to remove such obstruction within twenty-four (24) hours after such notice from the Common Council, Board of Public Works, City Engineer, Chief of Police or Building Inspector to do so, it shall be the duty of the Common Council, Board of Public Works, City Engineer, Chief of Police or Building Inspector to remove such obstruction and make return of the costs and expenses thereof to the City Treasurer who shall enter such cost on the next annual tax roll as a special charge against the property abutting such obstructed sidewalk, and such sum shall be levied and collected as other special taxes against real estate.

**6.02.46 Use of Streets, Alleys and Other Public Ways by Persons and Businesses
Renting Dumpsters and Roll-off Containers**

- A. **Permit Required.** No person or business engaged in the business of leasing dumpsters or refuse containers for the storage of materials discarded or used in the process of construction or alteration of buildings are to place or allow for placement such dumpsters or refuse containers in any street, alley, highway, sidewalk or other public way within the City without first obtaining a permit from the Public Works Department.
- B. **Application.** Applications for the dumpster or refuse container business permit shall be on forms provided by the City Public Works Department. Each person engaged in the business of leasing to others dumpsters or refuse containers which are placed in any street, alley, highway, sidewalk or other public way within the City for the storage of materials discarded or used in the process of construction or alteration of structures or buildings shall make a separate application and said permit shall be valid for the period of time specified thereon, not to exceed fourteen (14) days.
- C. **Fees.** The permit fee for each person engaged in the business of renting or leasing to others the use of dumpsters or refuse containers which are placed in the street or other public ways within the City shall be as outlined in the City Fee Schedule.
- D. **Insurance.** Prior to the issuance of a permit provided for in this Section, the permittee must furnish the Department of Inspection satisfactory written evidence that it has in force and will maintain during the term of the permit public liability insurance of not less than One Million Dollars (\$1,000,000.00) for one (1) person, One Million Dollars (\$1,000,000.00) for one (1) accident and property damage insurance of not less than One Million Dollars (\$1,000,000.00). Each permittee shall also furnish to the City a certificate of insurance naming the City of Onalaska as additional insured, and evidence of the same shall be on file with the Public Works Department at all times during the term of the permit.
- E. **Regulations.**
1. Each dumpster or refuse container shall have posted thereon the name, address and phone number of the lessor or owner of said dumpster or refuse container.
 2. Each dumpster or refuse container shall be equipped with reflectorized tape or other reflector devices adequate to warn others of its presence during night hours.
 3. No dumpster or refuse container shall be placed in a moving lane of traffic.
 4. Each permittee shall notify the Public Works Department of the location of all dumpsters or refuse containers placed in the streets, alleys, highways, sidewalks or other public ways within the City.
 5. Each permittee shall comply with any order of the Public Works Department to remove any dumpster or refuse container should the placement or location of the dumpster or refuse container constitute a safety hazard.
 6. No dumpster or refuse container shall be placed so as to interfere with public works construction being performed by the City.
 7. Each permittee shall place flashing lights on at least two (2) sides of each dumpster or refuse container so as to alert all persons of the placement of the dumpster or container during hours of darkness.
 8. No dumpster or refuse container shall be placed within twenty-five (25) feet of any intersection.
- F. **Security.** Each permittee shall provide in the sum of not less than One Thousand Dollars (\$1,000.00) a bond by an approved insurance or security company or letter of credit meeting the approval of the City Attorney in order to insure removal of any dumpster or refuse container ordered removed by the Public Works Department and to cover any damages to any street, alley, highway, sidewalk or other public way that may be damaged by the permittee's placement of a dumpster or refuse container.
