

ONALASKA FIRE DEPARTMENT 2017 ANNUAL REPORT

Desire to Serve, Ability to Perform, and Courage to Act

Onalaska Fire Department

2017

Introduction

On behalf of the men and women of the City of Onalaska Fire Department, it is with great pride I present you with an overview of the department's accomplishments and activities for 2017.

Onalaska Fire Department responded to 1,595 incidents in 2017; an increase of 4.6 % over 2016 incidents and 50 % greater than 2006. Emergency Medical Service (EMS) responses were 1258 and fire responses were 337.

I am proud of the accomplishments of the Onalaska Fire Department; it takes tremendous teamwork from all personnel paralleled with the support of city officials and our residents who provide us the opportunity to deliver the highest level of quality services Onalaska Fire Department delivers on a daily basis as a ISO Class 3 Department.

Mission:

To protect and enhance the quality of life for its residents, employees, visitors, and businesses with responsive and comprehensive programs focused on fire prevention, public education, and emergency response while providing the highest quality of emergency management for medical, fire, hazardous materials and other disaster type emergencies.

OFD Mission is focused on saving lives and protecting property by:

- Creating a safer community to live and work
- Providing the best and safest fire and EMS response protection possible
- Educating children, adults and businesses on the dangers of fire
- Developing fire and fall prevention programs for senior citizen communities
- Being leaders and role models within the community

OFD Vision:

Being extraordinary today- being the best it can be in:

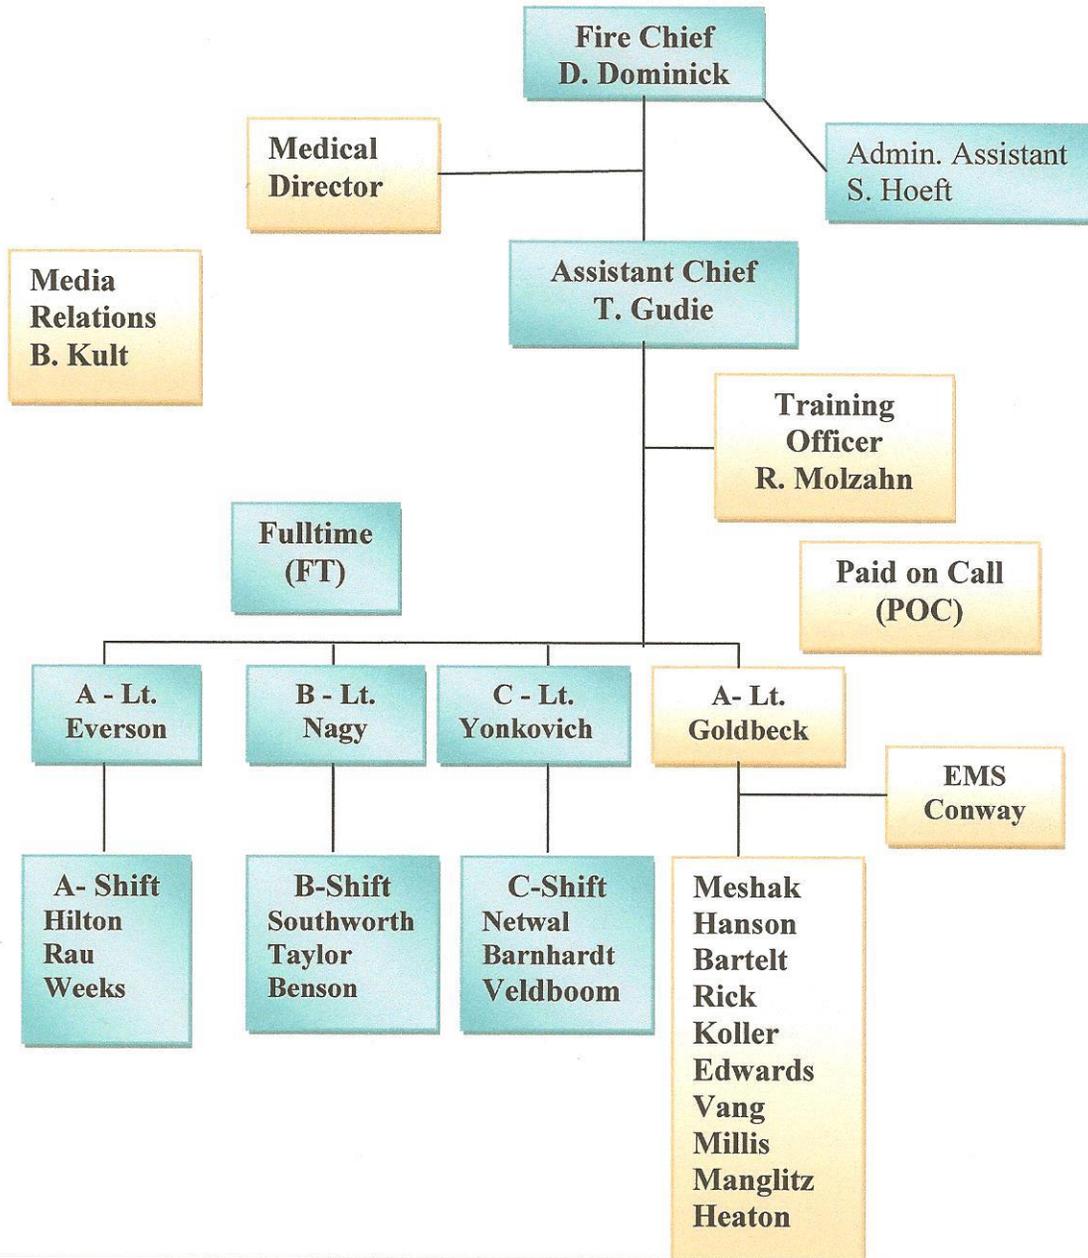

- Occupancy inspections
