Players not listed on any of these teams will play in the intermediate program with other 2nd, 3rd and 4th graders that did not want to be on a traveling team. The Intermediate program starts Tues. May 28. The players registration fee will be adjusted and the difference in fee rate will be refunded.

****Please Note:** As soon as we can determine the coaches and initial practice days/times, either the coach or the Park and Recreation Department will contact the parents of when the first practices will be held. We hope to get the teams going soon. Practice times and dates may vary during the month of May as there are many activities and teams using the fields.
