F.A.S.T. - FALL ACADEMY SOCCER TRAINING

Attention families of 4 – 10 year old boys and girls. The Onalaska Park and Recreation Department is running a fall soccer program. In light of the COVID-19 pandemic we are taking steps to provide a safe playing environment. These programs will focus more on instruction and drill/skill work while providing a fun environment that teaches soccer footwork with and without the soccer ball and rules of the game. **Sessions will be limited to 24 participants.** If more than 15 players sign up, the players will be broken into 2 groups within their session to decrease contact and allow for more social distancing. There will be separate sessions for the 4/5/6 year olds, 7/8 year olds, and 9/10 year olds. The program will start the first week of September. September and October will be Wednesdays and Saturdays for the 4 – 6 year olds, and Thursdays and Saturdays for the 7/8 years olds and 9/10 year olds.

In the past, we had Soccer MashUps on Saturdays in September and October with other communities, however this will not take place this season. We are hoping to have some scrimmages with the players in their own session.

Players are required to wear shin guards and cleats at each session. Parents are encouraged to help. Andy Olson, a high school level coach, will lead the program. He has done many of these types of academies for other soccer organization.
