## New Heating, Ventilating and Air Conditioning (HVAC) Permit Fees instructions:

### Commercial:

**If square footage is used for calculating the permit:** Use that amount multiplied by \$0.09 (Commercial & Multifamily) or \$0.06 (Warehouse) plus **\$85.00 BASE FEE** to calculate your total permit amount.

**If square footage is not available for calculating:** Take **\$85.00 BASE FEE**, plus \$85.00 miscellaneous work (includes 1 inspection) if more than one inspection is required add \$85.00 for each additional inspection.

### Residential:

**If square footage is used for calculating the permit:** Use that amount multiplied by \$0.05 plus **\$85.00 BASE FEE** to calculate your total permit amount.

**If square footage is not available for calculating:** Take **\$85.00 BASE FEE**, plus \$85.00 miscellaneous work (includes 1 inspection) if more than one inspection is required add \$85.00 for each additional inspection.
