## STAFF REPORT

Plan Commission Sub-Committee – June 12, 2018

<u>Agenda Item:</u>	Consideration of a Conditional Use Permit to reduce a setback of an Electronic Message Center Sign from residential properties.
<u>Applicant:</u>	Tom Vierling of Better Hearing Center, 515 2 <sup>nd</sup> Avenue South, Onalaska, WI 54650
<u>Property Owner:</u>	BHC Properties LLC, N5794 Rivendell Court, Onalaska, WI 54650
<u>Parcel Number:</u>	18-789-0
<u>Site Location:</u>	1101 Main Street, Onalaska, WI 54650
<u>Existing Zoning:</u>	Community Business (B-2) District

### Background:

This Conditional Use Permit (CUP) request pertains to allowing an Electronic Message Center Sign to be constructed closer than 100 feet from a residential property line at 1101 Main Street (commercial business center). The applicant is proposing to install an Electronic Message Center on the top of the existing freestanding monument sign, located five (5) feet setback into the property (approximately 73' from residential properties). The residential properties in question are located across the street from the new sign and would be separated from the sign by Main Street, in addition to the sign being installed a minimum of five (5) feet setback from the property line. The proposed electronic message center portion of the sign will be fifteen (15) square feet (3' x 15') (per side), while a maximum of thirty-two (32) feet square feet is allowed.

The Conditional Use is permitted only by approval of the Plan Commission 13-6-25 (2) (f) (1) and pursuant to standards set forth in Sections 13-8-11. The City has no basis for denial of the Conditional Use Permit, but has found a basis to impose the following conditions:

### Substantial Evidence Regarding Conditions of Approval:

1. Owner/developer shall pay all fees and have all plans reviewed and approved by the City prior to obtaining a building permit. Owner/developer must have all conditions satisfied and improvements installed per approved plans prior to issuance of occupancy permits.

**Substantial Evidence:** This condition provides notice to the owner/developer that they are to follow procedure for orderly development in the City of Onalaska in order to promote the health, safety and welfare of the City.

2. All conditions run with the land and are binding upon the original developer and all heirs, successors and assigns so long as the conditional use is being actively used.

**Substantial Evidence:** This condition acknowledges and provides public notice of the term and puts the owner/developer and future owners on notice that they are bound by the conditions and that they can continue the use as long as they follow the conditions and actively use the conditional use.

## CITY OF ONALASKA

---

3. Owner/developer shall abide by the City's Ordinances, Unified Development Code and Building Code requirements, as amended.

**Substantial Evidence:** This condition assures that the owner/developer understands they must follow the City's Unified Development Code and Building Code which they are required to follow in every way and that as they are receiving the benefit of being allowed to have a use that is not within the standards of the City's zoning code, failure to follow City ordinances may result in loss of their conditional use permit.

4. The Conditional Use Permit shall be reviewed every five (5) years to ensure continued use.

**Substantial Evidence:** This shifts the burden to the owner of the property to provide proof that the use is active and continuing. Ensuring that existing permits are still valid and being properly used ensures compliance with the City's procedures and ordinances and promotes interaction and communication with the City which further orderly development and the health, safety and welfare of the City.

### **Action Requested:**

As a public hearing will be held, testimony based on substantial evidence from the public should be listened to and considered before deciding on the requested Conditional Use Permit application. Only where no reasonable conditions could exist to allow the Conditional Use, may a Conditional Use Permit be denied.

**REQUEST FOR ACTION & POSSIBLE CONSIDERATION BY  
PLAN COMMISSION SUB-COMMITTEE:**

3. Owner/developer shall abide by the City's Ordinances, Unified Development Code and Building Code requirements, as amended.

**Substantial Evidence:** This condition assures that the owner/developer understands they must follow the City's Unified Development Code and Building Code which they are required to follow in every way and that as they are receiving the benefit of being allowed to have a use that is not within the standards of the City's zoning code, failure to follow City ordinances may result in loss of their conditional use permit.

## Project Description for CUP for The Connect Church

The Connect Church at 3340 Kinney Coulee Road South Onalaska, WI 54650 is applying for a Conditional Use Permit in order to construct the two (2) accessory structures, a driveway, and paved path for their daycare. The garage is to be a 24' x 30' garage with an 18' garage door used for snow plow and lawnmower, site equipment and vehicle storage. It is residential in style and will blend with the neighborhood image and style. A concrete driveway and parking pad would be required to access the new garage. See conceptual site plan for location.

The church daycare will install a 20' x 30' pergola which will span into their 2 separate fenced play areas. This will be a pre-engineered structure and install by local sub-contractors. A 4' rectangular concrete walkway for tricycles will be installed along the play area fence line. Both of these items are required for the daycare licensing. Please refer to the conceptual site plan for their locations.

We believe these added features to the site are not major visual obstacles and functionally required for the church and daycare to maintain servicing the community. Thank you for your attention.

Sincerely,

## STAFF REPORT

Plan Commission Sub-Committee – June 12, 2018

**Agenda Item:** Review and consideration of a request for a Conditional Use Permit to allow restaurant(s) on a property in the process of being rezoned Transitional Commercial (T-C).

**Applicant:** Leo Bronston of Property Concepts, LLC, on behalf of, River of Life Assembly of God Inc, 1214 County Road PH, Onalaska, WI 54650.

**Property Owner:** River of Life Assembly of God Inc, 1214 County Road PH, Onalaska, WI 54650.

**Parcel Number:** 18-3542-0 (a portion of)

**Site Location:** 1214 County Road PH, Onalaska, WI 54650 (portion of)

**Existing Zoning:** Single Family Residential (R-1) in process of being rezoned to Transitional Commercial (T-C) District.

**Background:**

This Conditional Use Permit (CUP) request pertains to allowing restaurant(s) on the property in the process of being purchased from River of Life Assembly of God, INC (approximately 1.3 acres) directly adjacent to Dr. Bronston's existing commercial property and in the process of being rezoned from Single Family Residential (R-1) to Transitional Commercial (T-C) District.

A Conditional Use Permit is permitted only by approval of the Plan Commission 13-2-11 (b) (3) and pursuant to standards set forth in Sections 13-8-11. The City has no basis for denial of the Conditional Use Permit, but has found a basis to impose the following conditions:

**Substantial Evidence Regarding Conditions of Approval:**

1. The Conditional Use Permit is contingent upon approval of the rezoning of a portion (1.3 acres) of Tax Parcel # 18-3542-0 from Single Family Residential (R-1) District to Transitional Commercial (T-C) District where the proposed use (restaurant) is permitted through issuance of a Conditional Use Permit by the Plan Commission.

**Substantial Evidence:** This condition requires appropriate zoning in order for the Conditional Use (restaurant) to be allowed. If the rezoning is not approved, the Conditional Use Permit will be null and void as the proposed use is not allowed in the Single Family Residential (R-1) District.

## CITY OF ONALASKA

2. Owner/developer shall pay all fees and have all plans reviewed and approved by the City prior to obtaining a building permit. Owner/developer must have all conditions satisfied and improvements installed per approved plans prior to issuance of occupancy permits.

**Substantial Evidence:** This condition provides notice to the owner/developer that they are to follow procedure for orderly development in the City of Onalaska in order to promote the health, safety and welfare of the City.

2. All conditions run with the land and are binding upon the original developer and all heirs, successors and assigns so long as the conditional use is being actively used.

**Substantial Evidence:** This condition acknowledges and provides public notice of the term and puts the owner/developer and future owners on notice that they are bound by the conditions and that they can continue the use as long as they follow the conditions and actively use the conditional use.

3. Owner/developer shall abide by the City's Ordinances, Unified Development Code and Building Code requirements, as amended.

Re: Abbey Court Street Vacation  
Abbey Court Development

Dear Ms. Aspenson:

Abbey Court Apartments, LLC and Three Amigos Property Management, LLC are requesting the vacation of the Abbey Ct road from the City of Onalaska to Abbey Court Apartments, LLC.

The proposed site is located along Abbey Road at Abbey Court and encompasses just under 12 acres. This property is currently zoned R4 Multi-Family Residential District and it is subdivided into individual lots for housing development and will now be combined into one parcel for this Planned Unit Development and the primary use will remain as Multi-Family Residential.

The project consists of a total of 328 units in 6 separate buildings that range from three to four stories, each with underground parking. The buildings will be set at different elevations in order to take advantage of the topography of this site while providing vehicular access to each parking level. The main entry point will be at Abbey Court and a portion of this existing right-of-way will be vacated and utilized for this development. There will also be a Clubhouse building in the center of this development to provide amenities for the residents which may contain a swimming pool, community room, exercise room along with an on-site leasing office.

The design of the buildings will have a strong residential feel to them with pitched roofs and private balconies for every unit. A mixture of masonry and siding will be used to provide the desired character and warmth of a great place to live. The Clubhouse will be constructed early on as it will serve as the heart of this new community.

The interior driveway system will be designed so that it can connect to a possible future public right-of-way at the north end of this property. This will then provide a secondary means of access to this development for emergency vehicles. Primary utilities of water, sanitary and storm sewers will be placed along these drives as well to connect to each of the buildings. A complete storm water management plan and master landscape plan will be developed as part of the Final Implementation Plan Submittal.

*Welcome Home!*

In regards to Environmental Design for this development there are some sections of steep terrain that will be preserved and not modified. Also there is a Tree Preservation Plan that exists for this property and the existing trees that are noted on this plan that are still standing will be preserved to the greatest extent possible while maintaining at least the minimum required.
