5TH & 6TH GRADE - INSTRUCTIONAL/7 ON 7 PASSING FLAG FOOTBALL PROGRAM

With the unknown future status of the COVID-19 pandemic, the Onalaska Park and Recreation Department has decided to change the 5th and 6th grade football program from Tackle Bar to an Instructional / 7 on 7 passing football program. This is in hopes of reducing contact between players and allowing more space on the field for players to spread out. The 7 on 7 passing program is a version of flag football that is a fun, competitive, non-contact way to play football. Participating in 7 on 7 football provides an exceptional, competitive way to hone football skills. 7 on 7 consists of all passing plays while eliminating the offensive and defensive line play. To register, choose one of 2 - 50 minute sessions. Limit of 20 in each session. **Volunteer Coaches Needed!! We will be looking for parent volunteers to help run the session their child is in.**
