

City of Onalaska Urban Deer Hunt
City Permit Policy (updated 10/23/18)

1. Persons desiring a City Permit to participate in an Urban Deer Hunt shall procure an application form, Urban Deer Application (UDA) from the Park and Recreation Dept, will include the following needed information:
 - a. Present Proficiency Score Sheet (Appendix B) completed by a representative of La Crosse Archery.
 - b. Presentation and copy of valid and current Wisconsin DNR Archery License.
 - c. Each City Urban Deer Application shall be subject to an administrative fee of Twenty Dollars (\$20.00); ten dollars (\$10 per test) of which will be paid for Proficiency testing @ the assigned location, La Crosse Archery, 1231 Oak Forest Dr. If the individual passes, said required testing will be waived for 5 years. During that time, if the individual wants to participate during those years, the twenty dollar (\$20) fee per season will stand and be totally payable to the city.
 - d. Review Rules and Shooting Safely & Ethically – Appendixes C and D respectively.
 - e. Individual must score 100% on Bowhunter Exam – Appendix E; then applicant will be eligible for participation.
 - f. The city will grant the applicant the DNR Nuisance Tags and associated back tags at that time.
 - g. City Permits are non-transferrable, non-refundable, and shall only authorize the named Permittee to participate in the Urban Deer Hunt pursuant to any restrictions contained therein during the season designated on the permit.
 - h. Notwithstanding any other provision contained herein, the Park and Recreation Department shall retain the absolute discretion to issue, deny, or revoke a City Permit, or to limit or condition the same in any manner, for any reason or no reason.
 - i. Only the areas shown and described on the Urban Deer Zone Map on the reverse side are open to the Urban Deer Hunt.
 - j. Please note that DNR personnel have the right to collect and hold any deer carcass or parts of carcasses that may show signs of diseases.
 - k. Hunting will begin with the start of the Wisconsin Archery season. Hunting will be prohibited during any Wisconsin firearm season and continue till January 31st.
 - l. Hunters must follow and abide by all standards and regulation set forth in the Management Plan and its appendixes.
 - m. All permitted hunters are responsible for any damage caused to others, themselves, and for property damage.
 - n. Persons who apply for a permit under 18 years of age shall have written permission from their parents or guardian.
