BODY FOUND IN ONALASKA

Early this afternoon the Onalaska Police Department discovered the body of a man in the 1600 block of Well Street.

Investigator Pete Jakowski was in the process of performing a welfare check in the area when he discovered the body in an outdoor location.

"The body was hanging in a grove of trees," said Investigator Jakowski, "it appears to be a suicide but until the Medical Examiner makes a ruling as to cause of death we are treating it as an unknown cause."

Initial evaluation of the body indicates that the man had been dead for an extended period of time.

The identity of the man is being withheld pending notification of next of kin. Additional information will be released as it becomes available
