FOR IMMEDIATE RELEASE

5 Jan 2012

Suspicious Activity May Be Linked to Burglary

At 1254 today an Onalaska citizen retrieving his mail noticed three suspicious individuals walking along the tree line near his home in the Oak Park addition. When the citizen asked the three men what they were doing they fled toward a vehicle. The vehicle, a 1996 maroon Dodge Intrepid, had Kansas license plates 409 ECC. These three men, two white and one black, may be linked to a forced entry burglary that occurred on Birch Street earlier in the day.

The Onalaska Police Department is advising citizens not to approach these men and is asking that anyone observing the vehicle contact Dispatch (608)785-5940. Anyone noticing suspicious activity in their neighborhood is advised to contact the Onalaska Police Department immediately.
